

## **Conquer The Escarpment - Shelby Dickey Memorial Fun Run/Walk**

Sunday November 8, 2026 | Nipissing University | North Bay, Ontario

Website: [EVENT PAGE](#)

This event is an important day for the Lakers Nordic Family to remember a special Nipissing Laker, Shelby Dickey.

Shelby was a loyal friend and teammate, a fierce competitor, and a model student-athlete. Competing at the provincial, national, and international levels, Shelby excelled as a varsity athlete and demonstrated her dedication and passion for skiing day in and day out. Her selflessness was conveyed through her continued involvement in multiple levels of the ski community. We continue to remember Shelby for the sparkle in her eye before competition, infectious laughter, and legendary pre-race playlists. She was continually striving to meet her goals and make improvements and openly shared her discoveries, struggles, and victories along the way.

We encourage all forms of participation in the Conquer The Escarpment Fun Run/Walk in honour of Shelby's life motto: Live free, stay awesome!

The Conquer The Escarpment Fun Run/Walk is a fundraising event and all proceeds will go towards supporting the Nipissing Lakers Nordic Ski Team.
